Headteacher update

"*Empower yourselves with a good education, then get out there and use that education to build a country worthy of your boundless promise*." - Michelle Obama

As the 2026 school year closes emotions are high. We are always sad to see our pupils leave however we know that as the Foxfield Chapter closes and we have done our best to prepare them for their next steps in life and we wish them and their families all the best for the future. To say goodbye there have been numerous celebration events including the Leavers BBQ, Prom and Leavers Assembly. All of which were fantastic.

Foxfield has organised many events over the year and the Summer term has been no exception. We worked with AE Yates to hold a 'Creation Day' for our Forget-me-not Garden. Dreams come True and the National Health Lottery visited school for a formal presentation of the adapted bikes. Running alongside this we had Bikability in school with more pupils accessing due to our wonderful adapted bikes. We took part in a range of exciting activities for National Writing Day. More classes experienced a trip on a narrowboat. Foxfield held its very own Pride event to celebrate how special and unique everyone is. And to finish off in our final week we held FoxFest, our own mini music festival.

A number of our formal learners sat examinations and completed NCFE qualifications. We have had

Transition has been a huge focus during this half term and all our pupils have met staff who will be supporting them next year to build relationships with them. We have also held a new parents coffee morning and we look forward to our new parents and pupils experiencing what Foxfield has to offer.

All our pathways have held celebration or awards assemblies which just shows how

	much progress our pupils have made. And that is a wrap for the academic year 2025-2026. I look forward to what is in store next year and all being on one site again! Have a lovely summer.
	Preformal We come to the end of a very turbulent year, with our building work and consequent class changes. However our pupils have shown amazing reliance and have made great progress. We have enjoyed much over the year with the majority of the department having a go at skiing, bike riding, museum and community visits, narrowboats and even a trip to the pub. This final term we have been spending a lot of time applying the skills we have learnt to the outdoors and our community visits. Our fringe Fridays have been enjoyed by all and it's great that we have been coming together to enjoy these sessions. With a new year approaching fast we look forward to welcoming all our pupils back to build on all the great work they have done this year. Lets hope for a little less disruption from the building work and a more settled year.
	Informal As we come to the end of another incredible school year, I want to take a moment to celebrate the achievements of everyone in our Informal Pathway. What a year it has been—full of progress, success, and memorable moments. I am so proud of every one of our pupils and the amazing progress they have made. Throughout the year, they have developed their communication skills, become better able to regulate their emotions, built meaningful friendships, and grown in confidence and independence. These achievements, along with so many others, are a testament to their resilience, determination, and unique strengths. This year has also seen our pathway continue to grow and develop. We have expanded opportunities for pupils to engage with others through our weaving curriculum, Friday Citizenship lessons, visits to the farm, propulsion activities, play sessions, and many other enriching experiences. Watching our pupils develop socially, build relationships with peers across different classes, and embrace new opportunities has been a real privilege. This week's Celebration Festival was the perfect way to end the year. It was wonderful to see all of our Informal Pathway pupils come together to play, socialise, laugh, and enjoy each other's company—while, of course, eating plenty of ice cream! It was a fantastic reflection of the strong sense of community that makes our pathway so special. I would also like to extend my sincere thanks to our parents and carers. Your continued support, engagement with our parent coffee mornings, participation in our curriculum-themed events, and partnership throughout the year have made such a

positive difference. We truly value working alongside you to help our pupils thrive.

Finally, I want to celebrate our incredible staff, both past and present. Your commitment, compassion, and unwavering dedication to our pupils are second to none. You are the backbone of the Informal Pathway, consistently going above and beyond to provide the very best experiences and opportunities for our children and young people. Thank you for everything you do and for the support you have given me throughout my time as Pathway Lead.

Being the Informal Pathway Lead has been one of the greatest highlights of my career. It has been an absolute privilege to watch our pathway grow and flourish, and to work alongside such dedicated colleagues, wonderful families, and inspirational pupils. Although I am stepping away from this role, I know the Informal Pathway will continue to go from strength to strength under Dan's leadership. I wish him every success as he takes on this exciting role.

Thank you to everyone who has been part of another remarkable year. I hope you all have a well-deserved, restful summer break, and I look forward to seeing all the amazing things the Informal Pathway continues to achieve in the future.

Semi formal

What an end to the year, celebrating all our hard work. Assembly as always is a lovely mix of happiness, sadness and pride. All our pupils have worked incredibly hard this year to achieve their goals, and I am very proud of everyone. Pupils have shared their favourite days ‘Emily Day’, Narrow boats, Dragons, and much more.

I want to thank all of you parents for your support this year, whether that’s coming to coffee mornings, art shows, supporting classes or just sharing news with class. We couldn't do this without all your support. As well as huge thank you to the semi formal staff who go above and beyond to make life at Foxfield fun for the semi formal pupils, and add to the joy of the curriculum.

I would like to wish ‘good luck’ to all pupils who are leaving Semi Formal this year, for post 16, or to go to the Formal Pathway. As well as goodbye to Daniel, who will be leaving Foxfield, and all of us in Semi Formal will miss your cheeky nature, your sense of a good time, and the way you make us all ‘take a bow’ with you when we are celebrating your success!

Finally Semi Formal has a long standing member of staff leaving this year. Mary is part of the fun, wacky ideas, and the one who gets us all up dancing everyday, the pupils all adore her, as she is the comforter we all seek when we are sad. She will be missed by each and everyone of us. But we will continue to invite her back to join us on our Semi Formal adventures next year. Thank you Mary- from everyone in Semi Formal, for your guidance, your knowledge and passion for helping every child thrive.

Formal

It's been a fun filled year for Formal. At times it has been difficult with being over split sites, but we have made sure to visit the main site as much as possible to join in with whole school activities, and be prepared for September, when the CLC is no more and we will all be back at Woodchurch! G3 and G8 have also met up with the other 3 formal classes at the Carrbridge centre which was also great fun!

One of my highlights this year was the residential in March - it was absolutely lovely to see how much the pupils took from it, overcoming fears and anxieties and making new friendships, which have continued since.
Alongside the residential, there have been lots of other trips out which have helped pupils learn essential travel skills, with some pupils at the CLC even accessing the local shops independently! Pupils in G3 and G8 have enjoyed their narrowboat trips and all showed us just how grown up they can be!

Pupils have all worked really hard in maths and literacy this year, congratulations to all of those who sat qualifications:
We had 14 pupils successfully passing English functional skills ranging from Entry Level 1 - 3 and 15 pupils passing Maths functional skills ranging from Entry Level 1 right up to Level 1! Such a fantastic achievement for our young people and seeing their little faces light up when they succeed just makes it all worthwhile.

Huge congratulations to Natasha Hughes on the safe arrival of her baby girl, Winnie-Ra, we all can't wait to meet her!
Good luck to Pranav, who is leaving to pursue an exciting opportunity at Wrexham AFC and to Brooke, in wherever your career takes you next. Also to Michaela and Lauren,

	who are going to be teaching in different schools in September. As we approach the end of this school year, I just want to thank all the Formal staff and parents for their help, support and hard work this year, and over the last few years. I have been incredibly proud to be the Formal Pathway lead and it has been amazing to see our young people grow in their confidence, social skills and independent life skills. (Also height, as a lot of them are taller than me now!!). I wish Molly, the new pathway lead and her Formal gang all the best and I can't wait to see how far you all continue to go! Have the best summer holidays! Rachel 🍀
	Post 16 What a difference a year makes! We are now settled in our new mobile classrooms, looking forward to another year of hard work, making memories and above all enjoying being together ❤️ in September we will welcome new pupils and staff into our Post 16 family x Goodbye and good luck to the class of 2026! May your dreams come true and your next chapter be filled with fun and happiness. We are so proud of each and everyone of you xx Well done to those pupils who sat their NCFE qualifications this year in both Literacy and Numeracy. For Literacy we had a 100% pass rate from Entry level 1 to level . Congratulations to.. Jack Williams, Macauley Laing & Grace Thomas EL1 Imogen Hunt, Connor Mackenzie & Freya-Louise Dempsey EL2 Lewis McColgan & Dominic Wiggins EL3 Jacob Nicolls & Callum Williams Level 1 ⭐ your hard work and determination paid off! x BBQ went off without a hitch! Another lovely Post 16 event 😊 Prom was utterly stunning ✨ so much hard work from all who were involved. I massively appreciate all of you ❤️the room looked breathtaking, the guest looked beautiful and the staff looked a bit frazzled and sweaty! 😂 Not a dry eye in the house for the leaver's assembly. Such a beautiful atmosphere and so grown up. As I said in the assembly these events don't just happen with me alone. What a team I have ❤️Committed, proactive, passionate and fun! I feel an immense sense of community when I am with all of you. Thank you for everything you do for me and the kids. Huge congratulations to our lovely Callum Williams who passed his driving test yesterday! First pupil ever at Foxfield to achieve this! It couldn't happen to a more lovely young man!

And finally a very emotional goodbye to our beautiful Carolyn 😊 she has been at Foxfield for ever and a day! She is retiring on Friday. Our sewing machine Queen, the Aldi leaflet deliverer, custard cream muncher, class jester and all time GOAT!! We adore everything about you from your ginger hair to your painted trotters! 😘

Enjoy your summer ☀️

Emma xx

Family Support Updates

Another year of working alongside our wonderful parents and carers. What a pleasure it is getting to know you all. We look forward to continuing all our groups and workshops in September. Also, please remember that our PTA would love your help and support, no huge commitments are needed.

Don't forget our summer meet ups. A chance to get together in the community with other pupils, parents & carers. Please see Dojo and social media for full details.

Look out for the events we run with Wirral Life Long Learning. A chance to gain skills and qualifications, and have a wonderful time doing it!

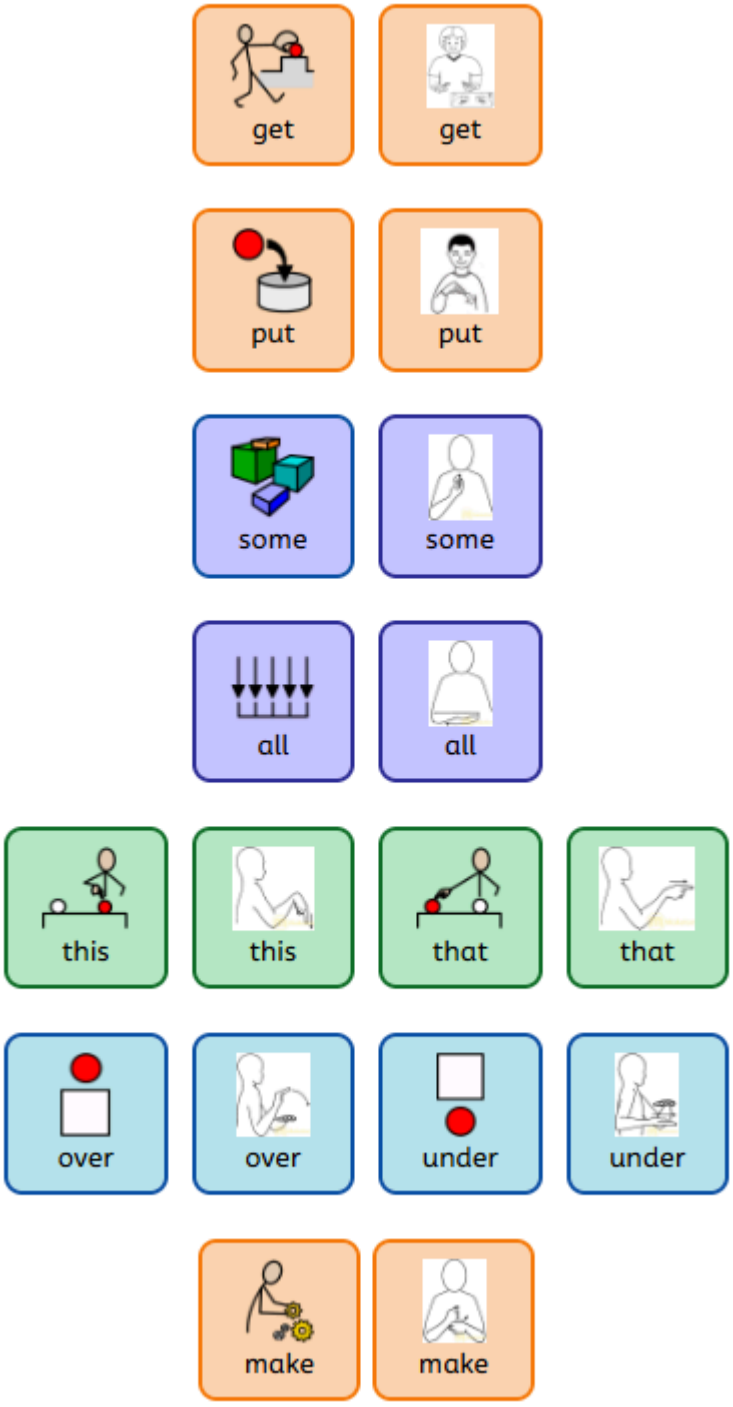
In September we will be planning more events and workshops, so please let us know what you would like to see on the timetable. We would love for you to shape what we do if you could spare a couple of minutes to complete our parent survey.

https://docs.google.com/forms/d/e/1FAIpQLSesOJNcDUwo4Ixee0qud1ObP2HUaswYHfShAhex_IKNSSv08A/viewform?usp=publish-editor

If you aren't able to complete the form, drop us an email and let us know what support would be helpful.

	We know the summer holidays can be a challenging time for some of you. The change in routine can be hard for some of our pupils. Here are some agencies that can offer support: - Advice and support from Social Care 0151 606 2006 - Children with Disabilities Team 0151 488 8090 - Urgent Mental Health Support can be requested via 111 - Positivitree www.thepositivitree.com 0151 458 8033 - Tomorrow's Women 0151 647 7907 - SENDLO https://www.sendlowirral.co.uk/ If you need support from us through the summer, please send us an email rather than via the usual mobile numbers. Take care over the summer and we will be offering some wellbeing events in the Autumn term. : familysupport@foxfieldschool.co.uk : Mel - 07825 931 829 : Claire - 07795 872 924 : Sherri - 07557 200 924
	**Prep for Adulthood & Careers** Well that's a wrap! There has been some amazing prep going on around school from pupils accessing the dinner hall and the swimming pool for the first time, to getting out and about on foot, public transport and the school minibus to making the Carrbridge Community Centre a place of safety, Nurture and belonging ❤️ Please keep supporting our young people over the holidays by encouraging independence wherever possible. Support choice and autonomy across the day with daily living skills for example washing and dressing, get creative in the kitchen, support choice making in the shops and include life skills maths in this. Have the most amazing summer ☀️ Emma x
	**Sporting updates** Within our summer 2 curriculum we have been working on outdoor adventurous activities and practicing for our sports events. This year due to our ongoing building works we had our sports day at the Carr Bridge center and some classes who were not able to access this set up spaces in school. We also held a football tournament at Woodchurch high school and invited teams from other schools to join us, a real community event. We are very appreciative of both Carr Bridge and Woodchurch for supporting us with the access of their astro turf. We will continue to work with these spaces to offer more sporting events.

Communication
Signs of the week covered during this half term;



Thrive

The summer holidays can mean your cup will fill up very quickly. The idea is that at your best you start with a full cup and throughout the day or week holes may appear in your cup, or someone may take a sip of your cup, or you might lose or give away some of your spoons. Things like caring, social situations, extra jobs and expectations, stress, appointments and all sorts of things are the equivalent to putting holes in your cup. The problem is that when the cup is empty we can feel burnt out and unable to cope. That is why it is so important to keep our cups topped up by doing things that are good for us and make us feel good. Doing these things regularly can help to ensure our cups don't run low, but despite our best efforts sometimes things happen that deplete us nearly completely and this is where refilling our cups more consciously and quickly becomes more important to avoid complete burnout. Things you can do for self care

Sensory Integration

Hello everyone, with the weather looking like it's going to be hot, make the most of any outdoor spaces you have and move at the pace of your child. Hammocks, mats , paddling pools, water play, foot spas, hoses and sprinklers all provide wonderful sensory experiences.

Very cold drinks, ice cream, ice pops and ice cubes support young people to both stay hydrated and well regulated. If your child eats fruit, it's perfect for cooling off too. Enjoy the summer!

Reflex Integration

We recently completed a parent workshop sharing our insight into reflex integration and it was so much fun chatting to parents around our journey and how reflex integration can really support our pupils.

Your child has their own reflex plan, contact your child's team to request a copy.

Forest School/Outdoor Learning

Outdoor Learning

This term has been glorious in terms of sunshine; therefore, many classes have embraced the weather and had a lot of fun having water fights, accessing water play, exploring in the community and utilising our new bikes.

We had Bikeability visit our school and they supported many pupils with the development of their cycling proficiency skills and road safety awareness. Many informal classes have been using the bikes during outdoor learning sessions and these have seen many successes with previously reluctant pupils accessing the bikes either with a staff member or by themselves.

It has been fantastic seeing pupils grow in confidence and independence throughout this term and I can't wait to see what next year has in store.

Forest school

This term some classes have been working to earn wilderness explorer badges in things like : foraging, animal tracking, water safety, weather forecasting and more . Other classes are exploring outside through sensory experiences using nature. We

have watched the effects of the wind on giant bubbles and in the recent heat wave we have created a rainforest canopy to make cooling shade in class gardens
Our recent focus has been getting outside in all weather and making sure we are prepared for this, waterproofs at times and more recently,sun cream.

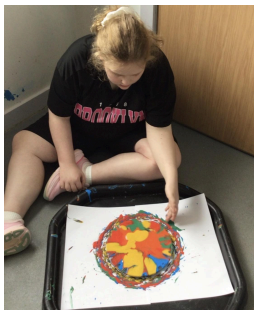
Exciting things are happening in our Forrest school area. We have had a path and hut built in a new enclosed safe area. Lots of development is needed to make this space as we want it but the classes will be contributing to this. Along the way we will learn lots of skills in gardening, using tools, building bug hotels and more .

Eco Schools

This term, we received the fantastic news that we have, once again, been awarded our Eco-Schools Green Flag Award with Distinction. The Eco-Schools team were impressed with how pupils, parents and school staff came together to take part in many Eco-initiatives across the year, including clothes and book swaps, the Big Bird Watch and immersive outdoor learning days that focussed on sustainability.

Creativity & Performing Arts

Students have been making toys and using toys to create their own art work this term. We have had some very imaginative sewing to make Stitch teddies and characters from books they were reading in literacy lessons.



In music, more new instruments have finally arrived and students have been eager to explore them. We're looking forward to the creative space being ready in September so we can have a permanent base for all our resources.

A scaled down but very successful FOXFEST went ahead during the final week and it was wonderful to see so many students from across school enjoying the event together peacefully. We had three bands from the Wirral who voluntarily gave up their time to play for us and it was appreciated by all. We even ended up with an impromptu mocktail bar run by Pari and Meg which was very popular.

The choir were all ready to attend a music day at Bluebell Park this term too however unfortunately this was cancelled due to the heat. We are looking forward to planning more creative events and opportunities in the autumn.

Thanks for your support with events throughout the year.

Helen (Creative Lead) and Benjamin (Music Specialist)

Building update

- Outdoor Classroom has been installed

- ‘Foxfield Magic Forest’ and our ‘Forget-me-not Garden’ is being developed

- Our new permanent classrooms, library and shared space has been delivered. This is due to be completed by 4th September 2026.

Work due to take place over the summer break

- Continue with the permanent classrooms that are now visible.
- Begin work on the two specialist PMLD classrooms. These are scheduled to be completed by February 2027.

Staff News

We Say Goodbye…

At the end of this academic year, we say a fond farewell to several valued members of our Foxfield family.

- Carolyn Simmons
- Margie Moulsdale
- Doreen Westcott
- Pranav Gokhle
- Brooke Hughes
- Mary Robinson
- Gill Birch
- Lauren McFerran
- Michaela Elliott

Each of these colleagues has made a significant contribution to the life of our school through their dedication, professionalism, and unwavering commitment to supporting our pupils and their families. They have each played an important role in helping our pupils to learn, grow, and thrive. Their kindness, enthusiasm, and hard work have been greatly valued by pupils, parents, colleagues, and the wider school community.

We would like to extend our heartfelt thanks to **Carolyn, Margie, Doreen, Pranav, Brooke, Mary, Gill, Lauren, and Michaela** for everything they have contributed to Foxfield. Their positive impact on the lives of so many of our pupils will not be forgotten, and they leave with our sincere gratitude, appreciation, and very best wishes for the

future.

We wish **Carolyn, Margie, Doreen, and Mary** a happy, and well-deserved retirement. To **Gill, Lauren, Michaela, Pranav, and Brooke**, we wish every success and happiness as they begin the next chapter of their careers. Although they will be greatly missed, we hope they look back on their time at Foxfield with pride, fond memories, and the knowledge that they have made a lasting difference to the lives of so many of our pupils and families.

Congratulations to…

Congratulations to **Jade Wetherhill** and **Sarah Sutcliffe**!

We are thrilled to announce that Jade Wetherhill and Sarah Sutcliffe will be starting their teacher training with Hope University in September 2026.

We're especially pleased that they will both continue to work at Foxfield throughout their training, enabling them to gain valuable classroom experience while remaining an important part of our school community.

This is a fantastic achievement and a wonderful opportunity for both Jade and Sarah. We know they will be outstanding teachers, and we are proud to support them as they take this exciting next step in their careers.

Congratulations, Jade and Sarah, we wish you every success and look forward to seeing you flourish on your teaching journey!

Funding/Grants

At Foxfield, we are committed to continually improving the opportunities and experiences we provide for all of our pupils. This year, we were delighted to secure a number of grants that have enhanced our learning environment and created exciting new opportunities for our children. These additional resources have allowed us to enrich the curriculum, introduce new experiences, and provide high-quality learning opportunities that support both pupils' academic achievement and their personal development.

We are always looking for new ways to invest in our school and are continually applying for additional funding to further enhance what we can offer. We currently have several grant applications in progress and look forward to sharing any successful outcomes with you in future newsletters. We are incredibly grateful for every opportunity to secure funding that benefits our pupils and helps make Foxfield an even better place to learn and grow.

PTA

The PTA have organised a Fathers Day Raffle to raise money for the Leavers Prom.

Staff and Governors would like to wish all our families a lovely summer break.
