Headteacher update

"The best classroom and the richest cupboard are roofed only by the sky." - Margaret McMillan

Following some internal works to our building we finally welcomed our Preformal pupils to the Woodchurch site who were previously attending The Hive, Birkenhead due to lack of space. It has been lovely having them in the actual school building.

We had a fun-filled outdoor learning day involving some creative scarecrows. Photos capturing the fun were shared on Evidence for Learning and Class Dojo.

We have ordered a new 40ft container that will house our new fleet of adapted school bikes. Our new bikes are expected to be delivered to school at the end of January and we can't wait to see our pupils enjoying them!

A visit to Gulliver's World was enjoyed by pupils, staff and parents on the 28/11/25. The day was a huge success which we hope will become a Foxfield annual event. Huge thanks to the support from parents and carers who made this fun event accessible to our pupils. We are extremely fortunate to be supported by Lyn from Variety, the children's charity.

We have hosted a number of parents events including coffee mornings and stay and play sessions. We look forward to more events next year.

Instead of the annual Christmas service at the local church we held a pantomime 'Foxfield presents Cinderella' and what a success it was. To see so many pupils have the confidence to get on stage in front of a huge audience is amazing! For some it has taken 6 years of hard work and encouragement to finally have an achievement of a speaking role. What a sense of achievement! Next year we plan on holding a service at

	the church and then a pantomime the year after. Not all pupils chose to participate in our annual Christmas hat and placemat competition this year, but for those that did it was extremely hard to choose just one class winner! Please see below for our 2025 class winners: B1 - Max, B2 - Elizabeth, B3 - Sophia, B4 - Isabelle, B5 - Tristan, Base 1 - Laim, Base 5 - Billie, G1 - Millie, G2 - Lucas, G3 - Kaylen, G4 - Deb, G5 - Scott, G6 - Charlie, G7 - Lewis, G8 - Tanner, M1 - Andre, M2 - Magnus, O1 - Will, O2 - Grace, O3 - Daniel, O4 - Zac, R1 - Oliver, R2 - Mollie, R3 - Daniel, R4 - Henry, R5 - Hakeema, R6 - Lennon, R7 - Cody, R8 - Max Funding & Grants: Molly has obtained 100 new books for Foxfield pupils. Helen has secured £1000 to use to develop music and an ex pupils' grandparents have very kindly donated £2000. We plan on developing our performing arts offer with this donation. Finally, thank you to the parents who supported the school during the LA Progress Review and SEND Review with Professor Adam Boddison. The outcome of both was very positive. I am grateful for your support.
	Preformal A busy ½ term in preformal with the run up to Christmas. We welcomed our pupils that have been based at the HIVE in Birkenhead and at home into the Foxfield preformal family. It is great to have them all here together on the main site, we look forward to making progress together. It has also been great to be getting out into the community with walks out and trips on the bus. Visiting carr farm to experience the christmas lights to shopping at Asda for ingredients to cook. I am thrilled to have such a big uptake for the preformal skiing trip. This is such a great opportunity for our preformal pupils, so thank you all for those that signed up. I would like to offer this out to the whole school next year. Look out for the photos! To see all the fabulous things the pupils have been doing and learning please log on to the Evidence for Learning App.
	Informal It has been an amazing half term in Informal. Our pupils have made such wonderful progress, I am very proud of all of our pupils and their amazing achievements this half term. Every Friday morning, our staff team celebrates our pupils' progress and achievements for the week. Each week we hear such amazing achievements, from pupils accessing new experiences for the first time, to pupils making fabulous progress with their communication and regulation. All of our pupils' progress is accessible for parents via our Evidence for Learning App. Key to all of our pupils' fantastic progress is down to all the hard work and dedication from our staff team. This half term staff have continued to build on relationships from

	the previous half term, and have now established such strong positive relationships with pupils, which in turn helps maximise learning and progression. It was lovely seeing lots of our parents/carers at our Christmas stay & play, staff and parents chatting and playing with our wonderful pupils. Thank you to everyone who attended. I hope you have a relaxing Christmas and a happy new year!
	Semi formal This half term has seen many of our pupils go to Woodchurch Farm, building friendships with their peers, we have had lots of pupils attending Propulsion for trampoline sessions and there has been so much mixing and celebrating each other's achievements. With our final week of celebrations as a pathway celebrated with our Semi-Formal Father Christmas! Every morning staff share 'wins' in our meetings, these wins are about sharing the amazing things your children do in class, those little things that usually don't get mentioned but we do. Some of their wins have included going to ASDA, using the toilet independently, cleaning themselves, managing difficult situations, coping with changes, washing the dishes at home and the list goes on and on. All staff enjoy hearing those achievements, as they may appear small to some but we know they are huge! So please continue to tell us about them. It is lovely to see lots of parents are now using Evidence For Learning, to view your child's learning journey. Over this festive period, please add to your child's profile and show us what you have been doing, or where you have been. A massive thank you to all of you, attending our coffee afternoons, going to Guillivers World, as well as supporting all our charity events. Have a wonderful holiday, and we will see you for the next term!
	Formal It's Christmas!! (Well almost!) This term has been full of incredible achievements for pupils in the Formal pathway, including visiting new places, learning new things and building relationships with new peers and staff. Gulliver's World was definitely one of the highlights this term, it was just lovely to see so many parents support and enable the pupils to have this opportunity to be at a theme park with their friends. Next term we have some plans in place to enable the Formal classes from both sites, to meet up, spend time with each other and socialise outside of the school environment. Staff have been working really hard to support pupils to make huge progress with both their learning and their emotional wellbeing and we are seeing lots of little wins which lead to WOW moments. I hope you all have a wonderful, peaceful Christmas and I look forward to seeing all the pupils and staff back in 2026, ready to start our new topic and create more memories. Merry Christmas!
	Post 16 What a fantastic, busy term we have had! The last 7 weeks have flown by in a whirlwind of trips out in the community, panto preparation, exciting and creative lessons as well as finally starting to settle in our new space! Gulliver's World was brilliant. Seeing so many happy faces (despite the rain!) was fab! It was Foxfield at its finest!

Spotlight on the amazing Dominic Wiggins for his hard work supporting pupils across all pathways as an apprentice TA! The Post 16 pupils are very much role models to the younger pupils and now that we are back at the main site this is very clear to see 🙂

We have VERY exciting plans in the pipeline to develop a local community cafe in a space just down the road from school. This is a Post 16 dream come true, as it will support so many aspects of the curriculum and embed skills that we naturally work on in the school day. I will share our plans with Parents and Carers as soon as they are finalised, early in the New Year. I very much want this to be a joint venture so I will be seeking the support of our fantastic families x

Our annual Coffee, Carols and Craft Event on the 9th was utterly beautiful. Our Post 16 heart was fully beating. Seeing all of you come together to support this event was brilliant. All the money raised gets put in our Post 16 pot ready for a trip in the summer. This combined with the money we raise in our Thursday-Curious Fox Cafe will mean that the pupils will get to go somewhere exciting and meaningful that is accessible for all.

A very sad goodbye to our beautiful Coops who leaves us today for pastures new. My friend and my mentor and the Kevin to my Perry! ❤️ She arrived like a whirlwind and did exactly what she said she would to support our department and the wider school. She did this with grace and with integrity 💛 the staff and pupils will miss her massive energy and equally massive hair! You will be truly missed and forever loved! Best high kicks on the Wirral by far! ⭐

Finally a huge thank you to my wonderful, supportive, creative staff. Everyone of you makes a difference, everyone of you are valued and appreciated by me.

Family Support Updates

How lovely it has been to meet so many of you this term. Many of you have popped into school and asked for our support for a range of things and challenges you have been experiencing. One of our parents said…

“Family Support at Foxfield is a lifeline to parents and carers alike. A place where support advice and even a chance to just offload is readily available. It's like a little family, no judgements, no rights or wrongs, just a place where you can be you! If anyone has any worries about contacting Family Support ...don't... you will be so glad you did” (parent/carer Oct 2025)

Workshops and events this term have included our usual monthly Parent Share group, a 4 week Wellbeing Workshop with Positivitree which was wonderful. Our own Steve Ledson helped us with ‘Safer Manual Handling’. Hiveability came to visit and our parent Carol led a Christmas Crafting session.

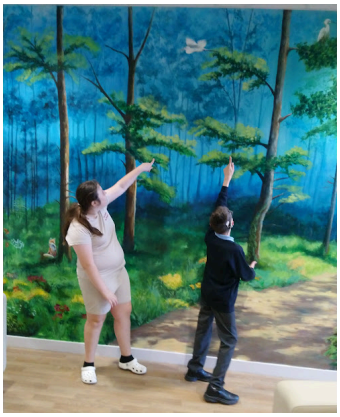
Don’t forget we also have an evening support group PACT. The next meet up is on Wed 14th January at the Hope Coffee Shop (Pensby Library) 7.30pm - 9pm.

We have been so lucky to have an amazing team of Dentists visit us and also Spiderman (aka Mike the Barber) is having great success with hair cuts.

Please keep an eye on Dojo, Facebook and Instagram for details of next term's events and workshops.

We have been incredibly lucky this term to access extra support for families through the kind and generous support of charities:
Dreams Come True
Cash for Kids and presents for Christmas
Variety who donated some Asda vouchers
EnID Project who helped some families get specialist equipment

Also, if you haven't had a chance to see it yet, please come and see the mural in our reception area painted by our wonderful volunteers Mo, Linda & Ty



We wish you all the very best over the holiday period and as always a huge thank you for your ongoing support.

Mel, Claire and Sherri ❤️

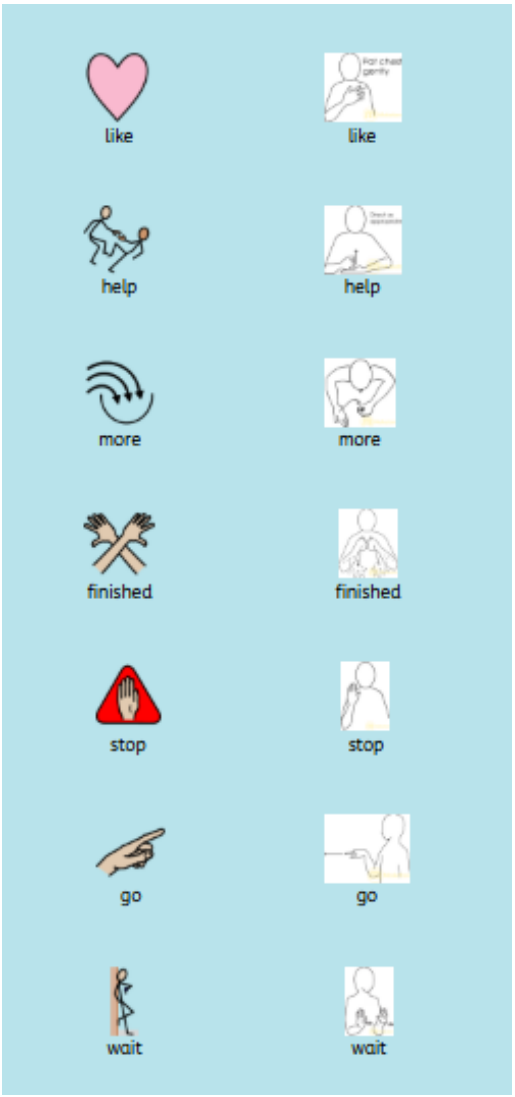
	**Prep for Adulthood & Careers** A very busy term we have had! It's exciting to hear the plans for P16, see the CLC students use public transport and use their local facilities and listen to all the stories of our students going out and about. Our links with Positivitree and other agencies are very strong indeed and I hope next year we can improve this further with links with Performing arts opportunities with Shadow Dance and Financial Literacy with Community Capacity Builders. We must always keep our Foxfield doors open so that our fantastic students can see themselves in the world around them. BREAKING NEWS!!! A group of P16 students have been INSTRUMENTAL in creating a Wirral resource for Preparation for Adulthood. They have developed this resource and now it is being used across all secondary schools in the Wirral. Now we want our parents to use it! Here is the link and the QR code for your phone https://padlet.com/clairemcoopers/preparation-for-adulthood-roadmap-a11t20l55id8f8s2 It's goodbye from me but I can't wait to see what the future holds for Foxfield! Thanks everyone!
	**Sporting updates** This half term during our PE lessons we have explored a range of target games, these include golf, bowling and darts. PE continues to be a subject that engages our pupils through fun and tailored lessons delivered by our sports coaches. We have also had a table cricket coach join us this half term sharing some lessons with Liam. Next half term our focus for PE is net and wall games. Swimming we focus on our targets each week whilst having fun. Many pupils have worked towards their certificates and these should have been brought home for you to celebrate together. **This is the order of our swimming certificates.** *Non swimmer - bronze, silver and gold.* *Beginner swimmer - bronze, silver and gold.* *Improving swimmer - bronze, silver and gold.* *Competent swimmer - bronze, silver and gold.*

Communication

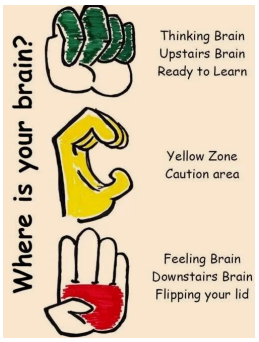
Signs of the week covered during this half term;



Thrive

At Foxfield all staff are trained in the Thrive Approach. Thrive Approach is a trauma-informed, whole-school program supporting children's social, emotional, and mental well-being using principles from neuroscience, attachment theory, and child development to help them build resilience, manage feelings, and succeed in learning and life.

All school staff are trained in the Hand Brain Model- Dan Siegel to understand pupils reactions and also ourselves. Taking note of how we are feeling and what is happening, as when we find ourselves in tricky situations our brain begins to go offline and our emotion takes over and we need to survive this tricky feeling.



Recognising what makes us feel this way and finding a way to reconnect with those around us is vital. Christmas is a wonderful time to connect with those around us. These activities are perfect for connecting with pupils making handmade decorations- trace hands to make reindeer/trees or decorate bauble templates, focusing on the process and free expression with paints/pom-poms. Or storytelling: create new Christmas stories or modern versions of classic tales.

Sensory Integration

Why Christmas can be Overwhelming- a lot of these challenges will be familiar to families.

- Intense Stimuli: Flashing lights, loud music, strong cooking/candle smells, crowded shops, and lots of decorations.
- Routine Disruption: Changes to daily schedules, visits, and parties.
- Social Pressure: Increased gatherings, unfamiliar people, and expectations to interact.
- Physical Touch: Hugs and close proximity can be challenging.

Strategies to Cope & Prevent

- Create Calm Zones: Designate a quiet, Christmas-free room or corner for breaks.
- Manage Light & Sound: Use soft lighting, avoid flashing lights, wear sunglasses, use noise-canceling headphones or ear defenders.
- Sensory Tools: Pack fidget toys, weighted items, chewable jewelry, or a favourite blanket.
- Modify Activities: Spread out events, go to shops at quieter times, incorporate movement breaks (walks, jumping).
- Plan Ahead: Communicate with family, use visual schedules, bring preferred foods, and wrap gifts early.
- After-Event Regulation: Plan calming activities like baths, snacks, or listening to music after overwhelming events.
- Self-Care: Families need breaks too. Get support to take the pressure off.

- Wherever possible, involve your family, friends and any support services in your festive plans.

Reflex Integration

We continue to work on our reflex movements every day in school, not only does it aid our development but it also supports us to regulate.

Our reflex of the month in school is the moro. Take a look at the information below to integrate the moro. The movements at the top are to calm your central nervous system and the movements below are to copy the reflex pattern to integrate. Have a try at home.

Rhythmic Movements and Other Activities to Integrate the Moro
(Not all have to be done)

Passive Movements (Calming Survival)

a. Straight Leg Rocking
(Move 1 RMTi 1 Pg.65)

b. Knees Bent Rocking
(Move 2 RMTi 1 Pg. 66)

c. Foetal Rocking
(Move 3 RMTi 1 Pg.67)

d. Ribcage Rocking
(Move 4 RMTi 1 Pg.68)

e. Rolling Bottom Side to Side
(Move 5 RMTi 1Pg.69)

a. Slowly Repeat Moro Movement

Slowly extend the head back and the arms and legs away from the body, the hands open, and take a breath in. Then slowly bring the arms in and cross them over the chest curl the legs up to the chest, hands close, bring the head up and breathe out.

This movement should be done ***slowly*** and steadily and repeated 5 to 6 times. It can take a few weeks (or months) for these movement to become easy, smooth, rhythmical and coordinated.

b. Active Assisted Isometric Pressure for Moro

i. Place hands on the outside of the client's legs (either at the back of the thighs or below the knees, whatever is more comfortable for the client) and upper side of the arms (at the best level for the client). You gently push in and the client meets your pressure and pushes out. At the same time, they breathe out.
ii. Then move your arms to the upper thighs and the inside of the arms. Again, the client meets your pressure as you push out, and they push in.
iii. Eventually the client can maintain an even pressure in both positions for a slow count of 7. Repeat 5 or 6 times.

Forest School/Outdoor Learning

What a fantastic half term! Pupils have had many opportunities to access forest school and outdoor learning during school and during two fun-filled after school clubs. Pupils have taken part in a successful Outdoor Classroom Day, made scarecrows and created a brilliant scarecrow trail and completed fun activities during National Tree Week during My World Around Me and The Outdoors.

Eco club have also carried out a successful Environment Review of the school and will be creating action plans next term to help the school grow and develop biodiversity and sustainability across the school grounds.

Over the festive period, why not try to get out and enjoy some winter bird watching or enjoy some family time at Wirral Country Park. They are running a Christmas Trail for families to explore the park trying to find the Christmas shapes hidden around the trail. Please find more information below.
Have a fantastic break!

GET INVOLVED

Have an eco-Christmas

wildlife watch

Help save the planet this festive season!

Save any Christmas cards and cut them up to use as tags for next year.

PRESENTS

- Try making gifts yourself! From knitting a scarf to baking a batch of cookies, there are lots of fantastic presents you can DIY.
- Buy presents from shops that make their products in an ethical and sustainable way... just like The Wildlife Trusts' store.
- Think quality not quantity: having a family Secret Santa means you don't have to buy for everyone and helps to create less waste.
- Avoid non-recyclable wrapping paper by using brown paper and brown paper tape. Better yet, go for a reusable option like a bag or a box.

FOOD

- Plan your meals so food doesn't go to waste. Leftovers can make some of the tastiest meals!
- Shop local. Are there ingredients for your Christmas dinner that you can source from local farms or shops?
- Compost your vegetable waste.
- Try out some veggie and vegan alternatives to cut down on meat and dairy.

DECORATIONS

- If you already have a cupboard full of sparkly Christmas decorations, make sure to reuse them.
- Instead of plastic tinsel, try using bunting, pinecones, or popcorn tinsel instead.
- Avoid buying Christmas crackers that contain plastic toys. You might want to try making your own using toilet roll tubes instead. Writing your own jokes is the best bit!

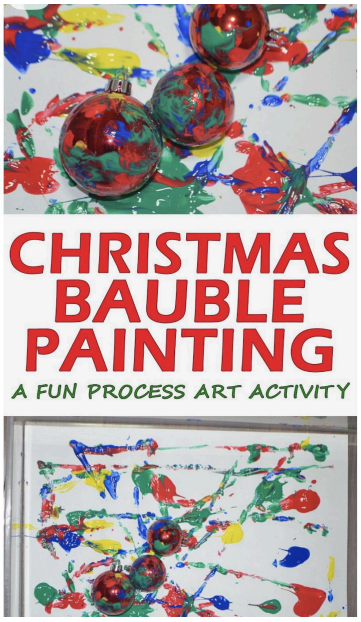
Creativity & Performing Arts

With the lead up to Christmas, creativity becomes our way to celebrate together. Classes decorate trees, dress up as elves, make cards, crafts and hats for our whole school Christmas dinner. Post -16 had their crafts and carols event for parents which was a huge success and the students were busy making woollen hats for gonks and chocolate Christmas trees for this. Members of the choir have visited Meadowside for a Christmas sign-a-long and students from Stanley, Elleray and Hayfield came to watch the dress rehearsal of the panto.

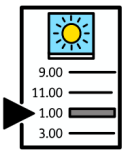
We also had a very generous donation given from the family of an ex-pupil who loved music and this will be put towards dance resources over the coming months.

The term finished with ‘Cinderella’ which had dance and choir performances as well as the newly formed staff band! We are very proud of all the students who were so brave to perform in front of so many people.

Christmas art ideas for home:



Next term our art focus is textiles and collage so if you have any donations of materials for students to use, they would be very welcome at the start of the term. We are also looking for donations of dressing up costumes that are outgrown/ not needed for use in performing arts lessons next term. Thanks for these in advance.



KEY DATES

New School Topic:
Tell me a Story

To introduce our new topic we are excited to share that TeachRex will be back in school on 08/01/25. Please follow the link below to have a sneak peek at the dragons!

	TeachRex Dragons **Key Dates for next half term:** 8th Jan TreachRex 23rd-25th Big Garden Birdwatch - Dan Gallagher 31st Jan-8th Feb National Story Telling Week - Molly Cullen 6th Feb Number Day - Jess Fogg 9th-15th Feb Children's Mental Health Week - Tara Bennett 12th Feb Parents Evening 3:30-5:30pm 17th Feb Chinese New Year - Lydia Gorton **Half Term Holiday** School Closes 13/02/25 School Opens 23/02/25
	Foxfield School would like to send our thoughts and well wishes to our pupils and staff who are unwell or going through challenging times and wish them a speedy recovery.
	Please remember that we have some medically vulnerable pupils at Foxfield so if your child is ill please ensure that they are kept off school until they are able to access education. If they have sickness and/or diarrhea they need to remain off school for 48 hours following their last bout.
	**Admin Updates** Reporting a child's absence - Please contact the main office before 9:15am to report your child's absence. Please include the child's full name, class,reason for absence and expected return to school. : schooloffice@foxfieldschool.co.uk : 0151 641 8810 Option1 - Report a pupil absence Option 2 - School Nurse Option 3 - Kitchen Option 4 - Business Manager Option 5 - Wallasey site School Office

Something Sweet Apple Crumble Jelly Fresh fruit	**Something Sweet** Citrus cake Jelly Sliced melon	**Something Sweet** Sticky toffee pudding Jelly Fresh fruit	**Something Sweet** School cake Jelly Fresh fruit	**Something Sweet** Ginger cookie Jelly Fresh fruit

Building update

- Liverpool City Region Combined Authority spent the 14th November volunteering at Foxfield repairing and painting a section of our main corridor.
- Temporary portacabin installed so reconfiguration work can begin.
- Minor adjustments made to convert the staff room into a classroom to welcome the pupils who had been based at The Hive.
- Unfortunately there has still been no progress in the permanent classroom building work that should have been completed for September 2025.

Staff news

Congratulations!

Congratulations to Kev Doughty, Stacey Tudball and Rebecca Roberts for passing their D1 Driving Test this term. We also had a number of our team pass their Level 1 BSL this term. Thank you for your dedication to our school and pupils.

Thank you for your staff nominations, as always it is an absolute pleasure to read and collate then present them to the winner in our Wellbeing Staff Meeting.

Our well deserved winner for the Autumn term is…

LIBBY AMANS (TA3)

This term we welcomed:

- Connor Buchanan - Kitchen Assistant

	● Emma Jones - Finance Administrator ● Carron Feliciano - Midday ● Jennifer McDonald - Midday ● Kelly McCooil - Midday ● Sian Tarbath - Teaching Assistant **We say our goodbyes to;** ● Claire Cooper-Shone ● Kim Rivers ● Rachel Lowe
Staff and Governors would like to wish all our families a Merry Christmas and we look forward to welcoming you back in the New Year.
